Villa Flora, Mlini, Dubrovnik Riviera

Sleeps up to 10 | 4 Double Bedrooms and 2 Extra Single Beds | 4 Bathrooms and 1 toilet

Description

Villa Flora is a lovely old summer house in the village of Mlini, near Dubrovnik. Built in the 16th century it is now a sea side summer house owned by a local family and is superbly placed to make the most of the surrounding area. Mlini itself is a charming fishing village with little harbour and water taxi to Dubrovnik old town. There are 2 beaches in the village on either side of the harbour and a handful of mouthwatering cafes and eateries on the sea front.

The Summer residence has 4 double/twin bedrooms (the house sleeps up to 10 people as there are extra beds in 2 of the bedrooms) with bathrooms located on the first floor, while living room, dining room, kitchen, wash-room and toilet are located on the ground floor. There is a Mediterranean walled garden which is completely private and which has won prizes several times for being the most beautiful garden in the region! From the kitchen you can walk out onto a spacious and pretty terrace which looks out on to the sea and little beach next to the property. A fantastic base for a holiday!
